

ANAND VIDYA VIHAR

C/37/10/09/2016

Dear Parents,

We will be celebrating Children's day on Tuesday, 15th November 2016 in the school. The celebration will be of a short duration. However, students can wear decent and comfortable civil clothes, the colour code for which can be Red to signify the warmth of love, Pandit Jawaharlal Nehru had for kids; or White to signify peaceful and a corruption-free world children would love to see when they grow up.

There are many children and people around who are not as blessed as us. The onset of winter has thrown peril of chills and frost bites on those hapless people. We request you to donate, **preferably blankets** (or else woollen clothes) which would then be distributed to the needy. Let our students feel sensitized to the needs of others and let them soak in the 'Joy of Giving'.

Please Note: It's a humble request to all parents that you may donate blankets in a reasonably good condition and not offload unwanted stuff.
