Dear Parents,

Education is a multifold process of grooming a student and would therefore need active cooperation between all stakeholders. For the same, it is imperative to identify areas of concerns, factors for growth and reasons for adherence to norms.

Your presence for a discussion on what it takes to be a complete individual will bring the desired change. You are requested to be present (any one or both parent) in the school seminar hall at the below mentioned schedule for a meeting. Kindly do not treat it as an open house.
