CHILDHOOD EXCELLENCE
INDEX 2025

Planting the Roots of Education

FOUNDATIONAL STAGE

FS1(Nursery) to FS5 (Grade 2)

At this stage, children learn through play, stories, art, and movement. The focus is on language, numeracy, and building essential life values. Our warm and joyful environment encourages imagination and curiosity in every child.

ANAND PREP ACADEMY

Where learning has no boundaries!

Every **Smile** is a spark of learning

Play-based and activity-driven learning.

Storytelling & Language Skills

Foundation in Numeracy

Values & Life Skills

Healthy Eating & Bonding

Reading Habits

“Curiosity finds direction.”

PREPARATORY STAGE

PS1(Grade 3) to PS3 (Grade 5)

The preparatory stage bridges playful learning with formal academics. Children develop strong fundamentals in languages, mathematics, and science while also exploring teamwork, creativity, and leadership through projects and activities.

“Confidence grows with every step.”

MIDDLE STAGE

MS1(Grade 6) to MS3 (Grade 8)

This stage is designed to give students a balanced experience across academics, sports, arts, and technology. With projects, debates, and social activities, students develop critical thinking and start discovering their unique strengths.

“Shaping tomorrow’s leaders, today.”

SECONDARY STAGE

SS1 (Grade 09) to SS4 (Grade 12)

The Secondary Stage at AVV prepares students for board examinations, higher education, and life beyond school. With a strong academic base, exposure to skill-based subjects, and opportunities for leadership, students grow into confident, responsible, and future-ready individuals.

SCIENCE

COMMERCE

HUMANITIES

Wide Academic Choices

- Over 30 subjects offered across Science, Commerce, and Humanities streams.
- Flexibility for students to pursue their individual interests and career aspirations.

Skill-Based Learning

- AVV offers the highest number of skill-based subjects in Vadodara from Grades 6 to 12.

Enrichment Clubs

- 30+ active clubs that encourage creativity, collaboration, and leadership.
- Examples: Debate Club, STEM Club, Literary Club, Music & Performing Arts, Photography, Entrepreneurship Forum, Sports Clubs.

Board Examination Excellence

- Consistent 100% board results with multiple city toppers.
- Strong mentoring, academic support, and career guidance for higher education pathways.

“Where learning goes beyond textbooks.”

SKILL-BASED SUBJECTS

- AVV offers the highest number of skill-based subjects in Vadodara, empowering students with practical, future-ready abilities. Along with this, our vibrant club ecosystem helps students explore passions, build confidence, and develop 21st-century skills.

INTERNATIONAL EXCHANGE PROGRAMMES

"Learning beyond borders"

At Anand Vidya Vihar, international exposure is an integral part of education. Our Exchange Programmes allow students to experience different cultures, explore global institutions, and learn in ways that go beyond textbooks. These journeys help them grow into confident, adaptable, and globally-minded individuals.

Highlights

Global Exposure

Visits to universities, innovation hubs, and cultural centres.

Cross-Cultural Learning

Exchange of traditions, ideas, and perspectives.

Confidence & Independence

Life skills developed through international experiences.

Lifelong Bonds

Friendships built with peers across the world.
